11. To see if the Town will vote to raise and appropriate the sum of \$16,355.00 for highway construction and reconstruction. **Selectmen's Comment:** These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended, a vote is required....
12. To see if the Town will vote to raise and appropriate the sum of \$183.00 as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission. These funds to be used for financing the staff, operation expenses, planning, studies, technical assistance, and other programs of the Commission. TOWN AUDITOR'S REPORT

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1984.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustees of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1984, to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector and Trustee of Trust Funds are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would suggest that town officials attend the meetings of the various associations of which they are members, as much may be gained from these sessions.

I am pleased to note that the trust funds have been reinvested to obtain a higher rate of return.

I would like to thank the town officials for their cooperation and assistance during the period of the audit. I would also like to note that the state is requiring more detailed information from the auditor and is now making a charge for the rules and regulations of the Department of Revenue Administration for conducting an audit.

Respectfully Submitted,
Oliver Derby, Town Auditor

ROXBURY POLICE DEPARTMENT
Report of Activities for 1984

The following is a list of complaints received by this department during the year 1984:

Assaults	1
Criminal Threatening	1
Criminal Mischief	7
Domestics	12
Animal	20
Misc. Complaints	10

Total Complaints	183
Amount (\$) of Property recovered by Police Dept	\$9,000.00
Misdemeanor Arrests	2
Violation Arrests	4
Aggravated DWI Arrests	1

During the year of 1984, this department has encountered an increase in calls. The calls jumped from 135 in 1983 to 183 in 1984. The mileage put on our vehicles also increased from 3268.5 miles in 1983 to 4942.0 miles in 1984. The amount of manhours did decrease however as the amount of investigation time put in by the officers of the department was less, from 548 3/4 hours in 1983 to 522 hours in 1984.

We have received some complaints from residents and landowners that we are not able to patrol the back roads of the town. We have had calls pertaining to firewood thefts, large parties involving the use of drugs and alcoholic beverages, damage to the country side by 4-wheel drive vehicles,

etc. At one point, we were not able to answer an emergency call because we were not able to make it up the road because of weather conditions. This year, we will attempt to correct this situation. It is only in the planning stages at this point, but the possibility exists that the department may be able to purchase some Army surplus Jeeps from the Federal government. If this is done, there will be no cost to the Town and will be the responsibility of the officers on the police department. With these, we will be able to patrol these back roads and private property of landowners and protect them from violators of the law.

As we have in the past, the officers of the police department are trying to better the department every year. We do this by training, broadening the resources of the department, and by exploring new and better ways to serve the people of the Town. The officers of the department have been using the paging system through Mutual Aid for receiving complaints and have had very favorable results. Most all calls for Police service have been dispatched over the pager. If you need the police, call us then. Don't worry about the time of day or whether or not we may be sleeping. We hear this all the time. We NEED to be advised of a situation when something is happening.

I hope to continue these services through 1985. If you have any questions and you wish to speak to an officer, please feel free to contact us at any time. I wish to thank the citizens of the Town for their support during 1984 and I am looking forward to a year of even better police coverage.

Respectfully submitted,
Chief Earl D. Nelson

REPORT OF THE TOWN HISTORIAN 1984

The position of Town Historian was created at the 1984 Town Meeting. My aims are: 1. to help manage the Town's historical records; and 2. to provide historical information to Town residents and other interested parties.

1. A motion made at the 1984 Town Meeting requested the transfer of certain early records from the Roxbury Fire House to the Archives of the Cheshire County Historical Society. Two books were transferred in October: Selectmen's Book 1825-1853, and Treasurer's Book 1854-1898. I made a list of other pre-1910 records, most of which are held in the Town Clerk's office.

2. To provide information I must first collect it. I copied and transcribed U.S. Census returns for 1790 to 1910. I copied several Town record books, over 1500 pages total, covering years 1825-1923. I located manuscript material about life in Roxbury in the 1850's and found three circa 1900 photographs.

With this material and Wadsworth's history at hand, I began compiling an index card file on every person known to have lived in Roxbury before 1910. The above copying cost nothing to the Town (but \$195.00 to me).

I welcome any and all information about Roxbury's history, and will try to answer inquiries about historical matters. My current (temporary) address is 414 E. Church St., Tarboro, N.C. 27886.

Respectfully submitted,
Henry V. Taves, Town Historian

Article 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Appropriation: \$8,650.00. Motion carried.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for salaries and expenses of Police Department. Several residents commented on the excellent performance of the Police Chief and his assistant. Motion carried.

Article 4. To see if the Town will vote to raise and appropriate the sum of \$531.00 for Town Welfare and Old Age Assistance. Motion carried.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$250.00 for purchase and maintenance of forest fire equipment. In response to a resident's inquiry regarding the increase over last year's appropriation, Selectman Richard Whipple and Fire Chief Richard Donohue explained that more money was needed because of several fires which occurred during 1983. Motion carried.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$200.00 for upkeep of cemeteries. Motion carried.

Article 7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes, and will vote to raise and appropriate the sum of \$500.00 for interest expense. A resident suggested reconsideration of the idea to collect taxes on a semi-annual basis. Selectmen Robert Pyne and Richard Whipple expressed their opinion that such a method is not really necessary and that it may place a financial burden on some families. Motion carried.

Article 8. To see if the Town will vote to raise and appropriate the sum of **\$75.00** for a contingency fund. Motion carried.

Article 9. To see if the Town will vote to raise and appropriate the sum of **\$3,500.00** for summer and **\$6,500.00** for winter road maintenance. One resident complained of icy road conditions and the need for more efficient and quicker service. The selectmen pointed out that it had been an unusually icy winter and under the circumstances, the Road Agent had done a fine job. The need for new equipment was discussed and also the possibility of hiring an outside contractor. Selectman Robert Pyne indicated both would be very costly to the town. The possibility of leasing equipment was discussed, but no decision was made. Motion carried.

Article 10. To see if the Town will vote to raise and appropriate the sum of **\$144.75** to support the Mental Health Service Program of Monadnock Family and Mental Health Service. Motion carried.

Article 11. To see if the Town will vote to raise and appropriate the sum of **\$14,706.95** for highway construction and reconstruction.

Selectmen's Comment: These funds for expenditure are designated to the Town through the Highway Block Grant Fund. The appropriation does not affect your tax rate, but to be properly expended, a vote is required.

A discussion was held on the potential use of the money. Two possible projects were removal of trees along the Branch Road near the old railroad overpass and repairing a drain pipe opening in the Middletown Road which is presently a hazard. Other projects were not discussed. Motion carried.

Article 12. To see if the Town will vote to raise and appropriate the sum of **\$177.00** as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission. The funds to be used for financing the staff, operation expenses, planning, studies, technical assistance, and other programs of the Commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

Article 13. To see if the Town will vote to raise and appropriate the sum of **\$100.00** for emergency assistance to Town Poor. Motion carried.

Article 14. To see if the Town will vote to raise and appropriate the sum of **\$250.00** to be paid for dump privileges in the Town of Marlborough. A resident questioned what will happen when the landfill operation is closed. It was explained by another resident familiar with the matter that the Southwestern New Hampshire Regional Planning Commission was studying this and should have a solution within a year. Motion carried.

Article 15. To see if the Town will vote to raise and appropriate the sum of **\$705.25** as its fair share of stand-by costs for use of the City of Keene's Ambulance Service. Motioned Carried.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$1,700.00 for the purpose of repairing the Town Hall roof and other areas in need of repair. It was determined the roof has not been recovered for 28 years and badly needs new shingles. Also needed are pushbars for Town Hall doors, a sprinkler system within the building, painting to be done and also internal redecorating and floor sanding. Volunteers for some or all of this work are needed. Motioned carried.

Article 17. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amount indicated: and, further to authorize the Selectmen to make pro-rate reductions in the amounts if estimated entitlements are reduced or take any other action thereon:

Appropriation	Estimated Amount
Town Hall Repair	\$1,700.00

Motion carried.

Article 18. TOWN WARRANT PETITION

Pursuant to RSA 39:3, we, the undersigned, respectfully request the Board of Selectmen to include the following article in the 1984 Town Warrant: "To see if the Town of Roxbury shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Roxbury, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire."

The pros and cons of the Seabrook Plant issue were discussed by several residents. It was pointed out that a special session of the Legislature would be quite expensive and it was questionable whether the problem could be resolved through such a session. An undecisive voice vote resulted in a vote by hand raising. Motion carried.

Article 19. To transact any other business which may come before the said meeting.

It was decided that a committee should be formed to undertake the repair work project for the Town Hall. The Town Hall Custodian, Fred White, agreed to organize a volunteer party to meet for repair work on June 23rd and 24th , 1984. Gladys Blanchard volunteered to make curtains for the Town Hall if the material were furnished to her. Funds for this material will be taken from the Town Hall Fund which is estimated to have approximately \$265.00 in accrued interest. .

As a follow-up to a request made during the 1983 Town Meeting, Selectman Robert Pyne checked into the possibility of residents having access to the Keene Public Library facilities. He found this could not be allowed because if it were, special rates would have to be applicable to all other surrounding towns. A Town Library Fund was suggested as a possible alternative. No further discussion.

A resident recommended that Town historical material be donated to the Cheshire County Historical Society. A motion was made and seconded that arrangements be made for the transfer of historical Town records which deal with the period prior to 1910, to the Cheshire County Historical Society. Motion carried.

Town Clerk Reese E. Every said that he had had several inquiries in the past as to who was the Town Historian, and, since there was none, he recommended one be appointed. A motion was made and seconded that Henry V. Taves be appointed as Town Historian. Motion carried.

A resident inquired as to how many would be interested in holding a pot luck supper at the next Annual Town Meeting in order to become better acquainted. Many felt it would be a good idea. It was then suggested that all in attendance at this meeting individually identify themselves. All did so.

A motion was made and seconded that once records are removed from the safe, the safe is to be sold. This was amended as follows: The Board of Selectmen are given authority to determine the disposition of the safe as seen fit for the benefit of the Town. Amendment passed.

A motion was made and seconded to close the meeting. Meeting closed at 8:58 PM.

Respectfully submitted,
Reese E. Every, Town Clerk
